Legacy Partnership

Many CoralGables@HOME supporters are excited about our program, but feel they do not yet need many of our program services. By becoming a CoralGables@HOME Legacy Partner, our supporters can help participate to build this important program for our City Beautiful, without becoming full members.

Legacy Partners will receive *The @HOMEBody* monthly member newsletter and may attend up to three CoralGables@HOME events each year at the special members-only rate. Annual Legacy Partner dues are only \$200, and may be applied to the cost of a CoralGables@HOME membership at any time. Should you decide you want to become a full CoralGables@HOME member, you may simply pay the difference in membership dues and start taking advantage of the full range of CoralGables@HOME program services.

Yes, I would like to become a Legacy Partner.

Partner Name: _____

Address: _____

Home Phone: _____ Cell: _____ eMail: _____
